J. L. MORISON (INDIA) LTD.

Independent Auditor's Review Report On standalone unaudited quarterly financial results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**To the Board of Directors of
J L Morison (India) Limited**

- 1) We have reviewed the accompanying statement of unaudited financial results of J L Morison (India) Limited ('the Company') for the quarter ended June 30, 2020 ("the statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulations 33 of the SEBI (Listing, Obligations and Disclosure requirements) Regulations, 2015 ('Listing regulations').

This statement is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind As 34") prescribed under section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India. Our responsibility is to issue a report on this financial statement based on our review.

- 2) We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3) We draw your attention to the Note 3 to financial results with regards to Management's assessment of realisability of Investments, Inventories and recoverability of Trade Receivables due to COVID 19 pandemic outbreak. The management apart from considering internal and external information upto the date of approval of these financial results, the management has also performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions, the management expects to recover the carrying amount of these assets.

The impact of global health pandemic may be different from that estimated as at the date of approval of these financial results. Considering the continuing uncertainties, the management will continue to monitor any material changes to future economic conditions and does not anticipate any material financial or operational issues in the short-term as well as on a long-term basis.

- 4) Attention is drawn to the fact that the figures for the 3 months ended March 31, 2020 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

Our conclusion is not modified in respect of para 3 and 4 above.

- 5) Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Indian Accounting Standards (IND AS) and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Listing regulations, read with circular issued from time to time, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Retailers hopeful of nearly 70% demand rebound this festive season

GEETA NAIR
Pune, August 19

RETAILERS ARE EXPECTING nearly 70% demand recovery in the coming festive season compared to pre-Covid levels. The Independence Day weekend footfall and sales across malls in Pune, despite heavy rainfall, have given them the confidence that buyers would come back soon. Electronics, apparel, cosmetics and footwear verticals reported considerable consumer demand. White goods, too, saw a pick-up, with a lot of deliveries after the weekend. The festive season from Dussehra to Diwali is expected to see a resumption in sales closer to the pre-Covid levels.

The 16-day Pitru Paksh after Ganesh Chaturti from September 1 onwards is expected to be dull as it is considered an inauspicious period. But October and November would bring in some cheer in terms of general expectation.

Shashank Pathak, centre director and ED, WestEnd Mall, said 95% of the permissible brands have reopened and around 40% customers have returned to the mall, this at a time when entertainment, multiplex or F&B sections are

not operating and the mall is open from 11 am to 7 pm. Pathak expects to see a robust festive season with Made in India products being the flavour of the season.

Currently, people are focusing on their essential needs but the condition is improving

by the day. "So, we have to stay positive and a 70% recovery is possible," said Pathak.

"Customer sentiment was positive and they were straightaway heading to the brands they wanted and were out with shopping bags. If 100 people walked in there was

95% conversion," Pathak said. At WestEnd Mall, a lot of action as seen in the electronics segment with mobile phones moving fast followed by fashion, beauty, sports/casual wears and homeware.

No trial and no exchange policy followed by most of the

brands did not deter people from buying. Pathak said their first bill was for ₹15,000 and last one was for ₹15,000 and people were spending 1.5 to 1.6 times more than usual. People were sitting at home and not spending, so they had accumulated cash and were

clearly looking at spending, Pathak said. The beauty and cosmetics saw 154% growth in sales.

Arun Arora, centre director, Phoenix Marketcity Pune, said the Phoenix mall in Pune, too, was buzzing during the Independence Day weekend and

wherever there was a serious buyer and footfall was fast converting to sales. The Croma and Reliance Digital stores had people lining up waiting for their turn to buy. Laptops, LED TVs, microwave, refrigerators and electric kettle were moving off the shelves, Arora said.

"We are looking at continuous progress and are sure people will get confidence to return as they see more safety measures being taken," he said.

The response at the Amanora Mall was a surprise, said chief operating officer Surjit Singh Rajpurohit.
